

EXPERT TEAM

SECURE TECHNOLOGY

GLOBAL SUPPORT

SINGLE POINT-OF-CONTACT

- Trust someone who communicates effectively with litigators & supports team members throughout your case.
- To ensure consistency, strong organizers help manage complex multi-party, multi-jurisdictional matters and oversee your standing orders.
- Expert in IP matters, your point-of-contact provides solutions on-the-fly for challenges that you may or may not anticipate.

INTERNATIONAL SUPPORT

- Huseby offers expert IP interpreters in any language, globally.
- We will provide the best team to handle the complexity of potential language barriers.
- Whether flying in experts for testimony or conducting depositions remotely, our international network of reporters and resources can cover depositions anytime, anywhere.
- Huseby understands the logistics of international depositions both within regards to the Hague Evidence Convention and the local landscapes.

EASE OF SCHEDULING

- Count on the continuity of your court reporter coverage throughout your case.
- Your dedicated point-of-contact works alongside the scheduling team to calendar, coordinate, and resource depositions specific to your standing order and location requirements.

Specialized Service & Support for Plaintiff Intellectual Property Counsel

Secure your client's most valuable asset — IP.

ADAPTABLE TECHNOLOGY

- Save on time and travel by remotely prepping your witnesses on Huseby's proprietary web conferencing platform, designed to enable seamless document review, deposition preparation, and more!
- Present and handle large, complex exhibits, with advanced annotation capabilities, mark with electronic exhibit stickers, and gain immediate access to the final exhibits.

SPECIALIZED COURT REPORTERS

- Exceptional reporters with a command of IP terminology accurately capture expert testimony for next-day expedites or any other turnaround requested.
- Take advantage of a realtime transcript feed. Avoid the disruption of readbacks, instantly flag testimony for on-the-fly questioning, collaborate with team members viewing live feed.
- Trustworthy, professional reporters handle matters of strict confidentiality, securely and with care.

SECURE, QUALITY PRODUCTION

- As your case evolves, the need to expedite a transcript can become critical – count on our reliable production team to deliver every time.
- Expect a perfect deposition transcript – the tool to help you gain a winning settlement.
- Our production processes and procedures are designed to provide the most secure environment in the industry and safeguard your client's intellectual property.
