Specialized Service & Support for Plaintiff Medical Malpractice Counsel

Tell your client's story.

SPECIALIZED COURT REPORTERS

- Exceptional reporters with a command of medical terminology, accurately capturing expert testimony

- Well-prepared with word lists, notices, participant names, case details

- Accurate, professional, and ready to meet your deadlines

VIDEO DEPOSITIONS

- Memorialize your client's *story* through compelling video, for use in settlement negotiations, opening and closing statements, and trial testimony

- Challenge the credibility of the physician or build the credibilty of your expert by ensuring that tone, inflection, and mannerisms are conveyed to the jury

REMOTE DEPOSITIONS

- Bring together parties who cannot meet in-person for health, travel, or professional reasons/obligations

- To ensure you get the critical physician testimony you're seeking, take advantage of a realtime feed to highlight, bookmark, and reference the live transcript

- Industry-best exhibit tools to manage and present large, complex case files and medical records

SINGLE POINT-OF-CONTACT

- A trusted teammate who supports you through the complexity of ongoing and overlapping cases

- A Case Manager who handles details and logistics seamlessly, saving you time and alleviating stress

- Rely on a consistent team from the onset to the successful conclusion of your client's case

FAST, RELIABLE PRODUCTION

- Check the status of your transcript 24/7 with the Huseby Transcript Tracker

- Trusted standing orders ensure reliable turnaround every time in your preferred format(s)

- Huseby's processes and procedures are designed to comply with HIPAA and PII security standards
